Log your reading and activities!

There are prizes!

Join us on Beanstack and log your reading and activities each week to be entered into that week's drawing. In addition to weekly prizes, earning badges will earn you "tickets" that you can put towards different prizes such as toys, gift certificates, and more. Be sure to redeem your tickets before the drawing. Not online? That's ok, pick up paper logs for reading and activities at the library and bring it in each week and we'll enter it for you. The Beanstack (and paper) logging will run from June 1 to mid-August. Register the whole family. Adults can win prizes, too. Find Beanstack from our website or go here: <https://fultoncountylibrary.beanstack.org>.
