

Franklin County LIBRARIES

Strategic Plan 2025–2027

Goal 1: Services: The Franklin County Library System offers focused materials, programs, services and facilities that position the Library as a provider of essential and valued services for all members of the community. (Universities)

Goal 2: Resources: The Franklin County Library System has the resources to provide relevant and needed services, programs and materials and increases public awareness of said services, programs and materials of the community and retains current users

Goal 3: Visibility (Outreach): The Franklin County Library System is a well-known and respected member of the community

Goal 4: The Franklin County System recruits, develops and retains a diverse, professional and knowledgeable cohort of staff and volunteers who provide a welcoming atmosphere for all patrons
